Amy, I have been looking at the info you gave me and just kind of thinking about other similar commissions.....
Here's what I think would be a decent guesstimate....

Salaries/yr - \$2,500
Travel/yr. - \$15,000
Per Diem/yr. - \$5,200
Misc. Costs (Comm., supplies, contracted services)/yr. - \$6,500

Total Annual Costs \$29,200

Seems like a \$60,000 biennial appropriation from the general fund would suffice....
If this can wait till I'm done with subcommittee we can chat about it...if not you could just pass this on.

Thanks
Brent
